

Pamela Herd

Carol Kakalec Kohn Professor of Social Policy
University of Michigan-Ann Arbor
Gerald Ford School of Public Policy

Email: pherd@umich.edu

Education

Syracuse University, Ph.D. in Sociology, April 2002
B.A., Colby College, Sociology, 1997

Academic Employment

- Carol Kakalec Kohn Professor of Social Policy, 2024-
- Faculty Associate, Survey Research Center, ISR
- Faculty Associate, Population Studies Center, ISR
- Distinguished Professor of Public Policy (2021-2024), Georgetown University
- Professor of Public Policy, Georgetown University, 2018-2024
- Visiting at Nuffield College, University of Oxford, 2018-19
- Professor of Public Affairs and Sociology, University of Wisconsin, Madison, 2014-2018
Affiliated: Institute for Research on Poverty, Population Health Sciences, Center for Demography and Ecology, Center for Demography of Health and Aging, Neuroscience/Public Policy Program, Department of Consumer Sciences
- Director, Center for Demography of Health and Aging, University of Wisconsin-Madison, 2015-2018
- Associate Professor, of Public Affairs and Sociology, University of Wisconsin, Madison, 2009-2014
- Assistant Professor of Public Affairs and Sociology, University of Wisconsin, Madison, 2005-2009
- Assistant Professor, University of Texas, LBJ School of Public Affairs, 2004-2005

Awards

- Outstanding Public Engagement in Health Policy Award, 2022, American Political Science Association, Health Politics and Policy Section
- Herbert Simon Book Award, American Political Science Association, 2022
- Christopher Pollitt Prize for best conference paper, 2021, International Research Society for Public Management
- Louis Brownlow Book Award, 2019, National Academy of Public Administration
- Best Book, Academy of Management, Public and Nonprofit Division, 2020
- Best Book, American Society of Public Administration, 2020
- Kohl Award, 2016-17
- AARP Innovation Award, 2017
- Vilas Midcareer Award, UW-Madison 2015-17
- Vilas Associate Award, UW-Madison 2015-17
- Fellow, Gerontological Society of America, 2013
- Winner, National Academy of Public Administration/Wilder School Award for Scholarship in Social Equity in Public Policy Analysis, 2011

- Gerontological Society of America Section on Behavioral and Social Sciences, Kalish Publication Award, for *Market Friendly or Family Friendly, The State and Gender Inequality in Old Age*, 2007, Russell Sage.
- Elected as a Member of the National Academy of Social Insurance, 2007
- Robert Wood Johnson Scholar in Health and Health Policy, 2002-2004
- John Heinz Dissertation Prize, Honorable Mention, National Academy of Social Insurance, 2002
- Gerontological Society of American, Student Paper Award, Social Research, Policy and Practice Section, 2002
- Syracuse University (Maxwell School) Outstanding Dissertation Prize, 2002.
- Phi Beta Kappa, Magna Cum Laude, Most Distinguished Student in Sociology, Senior Scholar, Colby College, 1997.

Fellowships and Grants

Received

2023-2028 Multiple Principal Investigator, National Institutes for Health, National Institute on Aging, “Initial Lifetime Incidence of Alzheimer’s Disease in the Wisconsin Longitudinal Study. 2R01AG060737. MPI: Sanjay Asthana, Pamela Herd, Michal Engelman. (~\$50 million)

2021-2026 Co-PI, National Science Foundation, General Social Survey. PI Team: Michael Davern, Rene Bautista, Co-PIs: Stephen Morgan, Jeremy Freese, and Pamela Herd.

2022-2027 Multiple Principal Investigator, National Institutes for Health, National Institute on Aging, “Network on Education, Biosocial Pathways, and Dementia across Diverse Populations.” R24AG077433. MPI: Katrina Walsemann, Pamela Herd, and Sanjay Asthana. (~\$1.4 million)

2018-2023 Multiple Principal Investigator, National Institutes for Health, National Institute on Aging, “Initial Lifetime Incidence of Alzheimer’s Disease in the Wisconsin Longitudinal Study.” R01AG060737. MPI: Pamela Herd and Sanjay Asthana.

2020-2020: An Administrative Supplement for a pilot project on imaging in the WLS Sample (\$500,000)

2022-2025 Co-Investigator, A Measurement Tool to Identify and Reduce Administrative Burdens in the Safety Net. Schmidt Futures. \$493,365.

Co-Investigator, Code for America. Transforming the Social Safety Net. 2022-2026. \$600,000.

2020-2022

Co-Principal Investigator. George Richmond Foundation. Bureaucratic Obstacles to Oral Health Care and Systemic Health. \$250,000.

Co-Investigator Investigator. The Downstream Health Effects of SSI Take-up Among Older Adults. Georgetown University \$18,000. 2021-2022.

Co-Investigator. UW-Madison Center for Financial Security/Social Security Administration. The Downstream Health Effects of SSI Take-up Among Older Adults. \$115,000. 2021-2022.

Co-Investigator. Arnold Ventures. Talent for government: Developing rigorous program evaluation opportunities in partnership with the federal government. 2021-Present. Sebastian Gilke (PI). \$394,438.

Co-Investigator, UW-Madison Center for Financial Security/Social Security Administration, Improving Public Understanding of OASI: An Experimental Approach, 2020-2022. \$140,000

- 2017-2018 Principal Investigator, AARP Innovation Award, “A Proposal for a New Minimum Benefit in Social Security. Madonna Harrington Meyer, Tim Smeeding, and Melissa Faverault. \$30,000
- 2017-2019 Co-Investigator, The Russell Sage Foundation, “Sociogenomics in the WLS: Probing Questions of Validity Regarding the Genetics of Educational Attainment and Subsequent Occupational and Economic Attainments,” \$93,264. Ben Domingue (PI) and Jeremy Freese (Co-Investigator)
- 2013-2018 Principal Investigator, National Institutes for Health, National Institute on Aging, “A Longitudinal Resource for Genetic Research in Behavioral & Health Sciences.” R01 AG041868-01A1. MPIs: Jeremy Freese, Robert Hauser, and Geoffrey Hayes
- 2015-2019 Investigator (subcontract PI), National Institutes for Health, National Institutes on Aging, Integrating the 1940 Census Data into Longitudinal Studies of Aging, PI Rob Warren.
- 2014-2016 Russell Sage Foundation. Administrative Burden. \$34,000 (with Donald Moynihan)
- 2013-2018 Principal Investigator, Center for Demography of Health and Aging, University of Wisconsin-Madison (P30 AG017266), Initial PI was Alberto Palloni.
- 2013-2018 Investigator, National Institutes for Health, National Institutes for Aging, “Integrative Analysis of Longitudinal Studies of Aging”. P01-AG31726.
- 2008-2013 Principal Investigator, National Institutes for Health, National Institutes for Aging, “Wisconsin Longitudinal Study: As We Age”: R01 AG 09775. Initial PI was Robert Hauser
- 2009-2014 Principal Investigator, National Institutes for Health, National Institutes for Aging, “Wisconsin Longitudinal Study: Brothers and Sisters”: R01 AG033285. Initial PI was Robert Hauser

- 2010-2013 Principal Investigator, National Institutes for Health, National Institutes for Aging, “Wisconsin Longitudinal Study: Tracking the Life Course”: P01AG021079. Initial PI was Robert Hauser
- 2010-2011 Principal Investigator, Social Security Administration, Wisconsin Longitudinal Study. Center for Financial Literacy, University of Wisconsin-Madison. (\$500,000 direct)
- 2009-2011 Principal Investigator, Social Security Administration, Financial Literacy in Late Life. Center for Financial Literacy, University of Wisconsin-Madison. (\$100,000 direct)
- 2008 Retirement Research Foundation. Pre-conference on Older Women, Gerontological Society of America Annual Meeting, \$30,000
- 2008 Center for Demography of Health and Aging. Pre-conference on Older Women, Gerontological Society of America Annual Meeting, \$10,000
- 2008 Rockefeller Foundation/National Academy of Social Insurance—Innovation Award to Strengthen Social Security for Vulnerable Groups—Part of the Rockefeller Foundation’s Campaign for American Workers (\$30,000)
- 2007-2008 Principal Investigator, Graduate School, University of Wisconsin Madison, “The Relationship between Education and Health.” (\$25,000).
- 2006-2008 Principal Investigator, National Institutes for Health, National Institute for Aging, “Income Support Policies and the Health of the Elderly (R03)
- 2002-2004 Robert Wood Johnson Scholar in Health and Health Policy.

Publications

Books:

Harrington Meyer, Madonna and Pamela Herd. 2007. *Market Friendly or Family Friendly: The State and Gender Inequality in Old Age*. The American Sociological Association’s Rose Series. New York: Russell Sage. *Winner of the Kalish Publication Award, Gerontological Society of America, 2008.

Pamela Herd and Donald Moynihan.* 2019. *Administrative Burden: Policy Making by Other Means*. Russell Sage. *Author order alphabetical

Reviewed in the New York Review of Books and discussed in numerous media outlets including the American Prospect, the New York Times, the Washington Post, and Vox’s “The Weeds” podcast.

Louis Brownlow Book Award, 2019, National Academy of Public Administration

Best Book, Academy of Management, Public and Nonprofit Division, 2020

Best Book, American Society of Public Administration, 2020

Herbert Simon Book Award, American Political Science Association

Reviews

“By putting a spotlight on the consequences of administrative burdens, Herd and Moynihan have done a great public service.” *New York Review of Books*

“[An] essential, incisive book. *Administrative Burden* is immensely readable and imminently useful. Practitioners and scholars alike will find much to learn here about making public programs work better for all.” *American Journal of Sociology*

“Our confidence in government as a force for the public good is at stake. Read this book and see why.” *Journal of Policy Analysis and Management*

“Herd and Moynihan perform an excellent service for Americans who are being short-changed in terms of taxes they have paid, rights they are constitutionally guaranteed and opportunities that sadly may never materialize.” *The Innovation Journal*

“(A) brilliantly written and thought-provoking book that should be situated in the context of the general debate over the scope of social policy in democratic societies.” *Journal of Public Administration Research and Theory*

“(A) landmark study explaining how administrative burdens impact outcomes associated with U.S. policymaking. This volume will influence a wide swath of students in the related fields of public administration and public policy.” *P.S. Perspectives on Politics*

“Exactly what a conceptual frame-work should be: usable...will surely become required reading for public management scholars and students alike due to its clear framework and policy breadth.” *Governance*

“(F)ascinating...a systematic account of “policy by other means” that must be heeded by policy makers and social scientists alike. They provide a reckoning of an often ignored, but critical, dimension of policy implementation as a political venue.” *Journal of Politics*

“Herd and Moynihan’s collective voice provides inspiration by emphasizing that an evolved approach to good government through burden reduction could have significant positive impact on individual lives...essential reading for public policy students and practitioners.” *Political Science Quarterly*

“(A)n exceptional text that comes at an exceptional time in our nation’s history. If used properly, it may be an exceptional instrument for the preparation of scholars and practitioners desiring to produce a just and efficient government.” *Journal of Public Affairs Education*

“A path-breaking framework for deeper study of policy making, implementation, and evaluation that has the potential to add contextual depth and analytical rigor to our conceptions of government action.” *Public Administration Review*
